

## **Training regulation summer training TC de Uithof 2021**

### *General*

1. It is understood that there are 50 minutes of effective tennis in one training hour.
2. However, the use of the tennis court is 60 minutes. This leaves 10 minutes for the trainers to give space to other activities if necessary, such as eating, administration and use of the restroom.

### *Dividing the training groups*

3. One can be placed into a training group when they have a valid Olympas and completed the payment process. Scheduling the training groups will be done by the Technical Commission based on Art 3.3.2 of the Rules of Procedure.
4. The registration is definitive after announcing the scheduled training groups. You will be expected to pay the tuition fees from that moment on. The tuition fees will never be refunded.
5. You can swap your training spot with someone who is placed at another time or day when you consistently cannot play at your own training time. A swap between training groups should always be communicated with the Technical Commission.
6. If, from the start of the course onwards, the involved pupil cannot follow the (entire) course because of sickness, injury or otherwise, he/she is entitled to let someone else play in his/her position, provided that this pupil has an equivalent tennis level. The Technical Commission will decide if this is the case.

### *Absenteeism*

7. Training will be rescheduled when the trainer is absent because of (example) sickness or other personal circumstances.
8. The first training that cannot proceed because of bad weather will not be rescheduled later. The second training that cannot proceed because of bad weather will be rescheduled. The third training will not be rescheduled and the fourth will be et cetera.

### *Joining in and opting out*

9. Joining in a training group is only permitted when it is a training group that is of your own playing strength or a lesser strength. The pupil can be denied of joining in when this is not the case.
10. Joining in and opting out for a training needs to be done via the on-/off reporting system on the website. The opting out needs to be done before 12:00 pm on the day of the training. Also, opting out needs to be done on the previous day before 9:00 pm when the training on the next day is on 1:00 pm or before.
11. The Technical Commission retains the right to exclude a pupil from further participating with the training course when a pupil does not opt out twice or does this too late before the training occurs.

*Final provision 12.* The board of TC de Uithof decides in any case in which this regulation does not provide.
